

R-Ranch at the Lake HORSEMANS' ASSOCIATION

The Horseman's Association is comprised of R-Ranch Owners who have an interest in horses in general and our R-Ranch stable horses in particular.

The Horseman's Association's purpose is to promote education about horses, to provide fun experiences with horses, and to do fundraising activities to support them.

In being an R-Ranch owner you are already a member... just have an interest, show up & participate!

In the past, with the assistance of R- Stable Staff, the Horseman's Association has sponsored events such as:

Basic Riding Skills Clinics, Explanations & Demonstrations of Equestrian Disciplines, Grooming Clinics, Play Days, Poker Run, Schooling Shows, Gymkhana Events, Dinner Rides & various Fundraising Activities. (For example; the Pancake Breakfast)

All proceeds from the fundraising activities go directly to R-Stable horses. We purchase supplies & extras for the horses (bridles, pads, stall sand, etc) and attempt to offset the cost to the general ownership. Some events have nominal registration fees, some are free.

Proceeds go to award ribbons, judges compensation or R- stable horses.

Who Runs the Events?

Volunteers like you!

In fact, without volunteers there are no events possible.

**If you need training, we'll provide it.
Just a willing spirit is needed!**

Just come on out!
