Dear Pardner,

In a civilized society, "Order in All Things" only comes about by self-imposed regulations.

Therefore, for our security, protection of life and property, our enjoyment and comfort, and our great feeling that our property, R-Ranch, is well secured and cared for, we have established certain rules to govern ourselves by and are publishing them for your information in the following pages. These rules are guidelines which will be *enforced at the discretion of management.*

We request that all Pardners observe these rules so we may ALL enjoy the facilities.

B. Loss or Damage to Property

1. R-Ranch at the Lake is not responsible for any loss or damage to property owned by Pardners, their immediate family or guests.

II. R-RANCH OWNERS

A. Pardners (owners of R-Ranch who live in the same household; generally husband and wife) and their IMMEDIATE family (spouse-equivalent if owner of record has no spouse, and/or children under 26 living in the same residence as Pardners) are entitled to the use of all R-Ranch facilities year 'round. Pardners' grandchildren under sixteen years of age are associates. When picking up ID cards at the ROA office, associates 18 through 25 must present identification to show that they reside in the same household as the owners.

B. Pardner's IMMEDIATE family who are associates are entitled to the use of R-Ranch without Pardners being on the Ranch, under the following conditions:

1. Associates 16 years of age but not yet 18: DAY USE ONLY (Day use ends when it gets dark) with a MAXIMUM OF TWO GUESTS PER FAMILY per visit. A medical release form (page 19) is required for ALL persons under 18 years of age when not accompanied by parent or legal guardian.

2. Associates 18 years of age but not yet 26 and living in the same residence as the Pardner: overnight stays are permitted, with a MAXIMUM OF TWO GUESTS PER FAMILY per visit.

3. Grandchildren of Pardners who are associates may bring their parents to the Ranch as guests without using a guest pass if the Pardner(s) are not on the Ranch. A maximum of two sets of parents may be brought to the Ranch with their respective children at one time. If the Pardner is on the Ranch, a guest pass will be required for each parent. One guest riding pass is required for each parent to ride a horse at any time.
 4. Children of Pardners who are associates may bring their grandparents to the Ranch as guests without using a guest pass when Pardners are not on the Ranch. If Pardner(s) are on the Ranch, a guest pass will be required for each grandparent. A maximum of two sets of grandparents may be brought to the Ranch at one time. One guest riding pass is required for each grandparent to ride a horse at any time.
- C. Other relatives and friends of Pardners are considered GUESTS.
- D. Pardners are financially responsible for any damage incurred by members of their family and for the actions of their family members and guests.
- E. All Minors (under 18 years of age) must be in their cabin or RV by 12:30 AM each evening. If found elsewhere after that hour, minors will be taken to their parents' cabin or RV by security. If this occurs a second time on the same evening, the family will be asked to leave the Ranch.

III. GUESTS

- A. Guests may not use R-Ranch unless a host Pardner accompanies them.
- B. Pardners are allowed a maximum of six guests per share, unless group reservations (see section IV - page 5) have been made through the ROA office. Four guests per share are permitted on holiday weekends.
- C. A "single" Pardner is the sole owner of a share with no one using the Ranch on their share other than their children, who are associates. A single Pardner may bring one guest per visit to the Ranch without using a guest pass.
- D. Pardners who bring minor children (under the age of 18) to the Ranch (whether guests or associates) without the child's parent or legal guardian must have a medical release signed by that child's parent or legal guardian. Please refer to the sample form on page 19.
- E. Minor children who are not accompanied by their parent must have a "Hold Harmless" agreement (see page 21) signed by their parent or legal guardian in order to ride a horse. - F. Pardners are financially responsible for the actions of, and any damage incurred by their guests and their guests' children.
- G. Guest passes may be purchased at the ROA.
- H. Each guest pass is good for a one day or one night stay by one individual when accompanied by the host Pardner. No guest pass will be required for children under 6 years of age although they still count as guests.

- I. Short Stays: A stay of two hours or less. Upon entry, owner must present one pass per guest. If guests check out in two hours or less, owner may request that pass(es) be replaced, or purchase price refunded, with receipt.
- J. Horses, an exciting part of R-Ranch ownership, are free for Pardners' use on a "first-come, first-served" basis, whenever they choose to ride during stable hours. To help reduce operating expenses, guests will be charged per one-hour ride or fraction thereof. Riding passes may be purchased at the ROA office.
- K. R-Ranch was created primarily for Pardners' enjoyment. Should the facilities become overcrowded due to the excessive use of guest privileges, further limitations on the number of guests using the Ranch may have to be imposed.

V. CABINS *(for reservations call (707) 252-0140)*

- A. Partners should make reservations in advance to assure accommodations. Cabin reservations may be made up to 30 days in advance. They MUST be confirmed between 72 and 48 hours (two to three days) before the arrival date or the reservation will be canceled.
- B. A penalty will be assessed to any Partner who leaves a confirmed cabin unoccupied.
- C. Reservations may be made either in person, by mail, or by telephone with the ROA office. Reservations must be made only by Partners, and each Partner must make his/her own reservation. Please have share number ready.
- D. Cabins are subject to prior reservation. Each Partner has equal rights to these facilities; therefore reservations will be accepted on a "first in" priority basis.
- E. Cabins will remain locked when not in use. Partner must sign for keys received. If the keys signed for are lost, or the cabins are damaged or left unclean, a charge will be made to the Partner's share to cover those costs.
- F. Partners must limit themselves to one cabin by advance reservation. Excluding holiday weekends, upon arrival at the Ranch, Partners may request a second cabin if available. If the cabin is for use by their guests, there will be a charge for each additional cabin.
- G. The maximum length of stay in a winterized (A) cabin is seven (7) days. There must also be a thirty-day break between stays in a winterized cabin.
- H. Owners leaving cabins vacant for more than 24 hours may be cited. Partners must get approval from the ROA office if they intend to leave the cabin vacant for longer periods.
- I. Check-out time is 12:00 noon. Partners must remove their personal property from their cabin, leaving the cabin neat and clean upon checking out.
- J. Winterized (A) cabins must be inspected by staff upon checking out. A minimum of one hour from time of request should be allowed for inspection.
- K. Quiet hours in the cabin area must be observed from 10:00 PM until 9:00 AM for mutual enjoyment of everyone.
- L. A trailer or motor home under 20 feet in length may be parked by a cabin provided it does not extend onto the roadway, and that sufficient space exists between that cabin and the surrounding cabins to prevent crowded conditions.

****OR****

One tent or lean-to shelter may be pitched by a cabin.

- M. Only one vehicle may be parked by a cabin. All other vehicles must be parked in the main parking lot (behind the ROA office) to avoid congestion in the cabin area.
- N. Although most of our pets are well behaved and housebroken, a few may not be, or may forget their "manners" in a strange environment. Therefore, in order to ensure the comfort of all of our Partners, NO pets are allowed in the cabins or cabin area. Pets may be kept overnight in the campgrounds only with partners, and must be on a leash at all times. Violators will be cited.
- O. Smoking is prohibited in cabins.

P. Partners and guests are required to check out (leave windshield tag) and return cabin key at the ROA office on their way home.

VI. CAMPGROUNDS

A. Selection of campsites is on a "first-come, first-served" basis.

B. A Partner and his guests may occupy only ONE campsite per visit.

C. Partners must personally register their Recreational vehicles or tents when checking them ONTO R-Ranch or when moving them from one campsite to another. (Partners need not be present if they authorize another individual to remove their RV or tent FROM the Ranch.) A Ranch issued Registration Tag must be clearly mounted and visible from outside your RV or tent.

D. Partners must personally notify the ROA office of the campsite number their RV or tent occupies.

E. In order for an RV to be registered on the Ranch, it must display current state-issued registration tags. In order for an RV to be left on the Ranch, state-issued registration must be in the owners name. Beginning 30 days after the tags expire a penalty per week will be assessed to the owner of an RV on the Ranch with expired tags.

F. Recreational vehicles, which are property of the owner of record, may be left on their site for three months, then must be removed from the Ranch for at least five days. Usage of the same site twice in a row is prohibited regardless of the length of time the trailer has been off the Ranch.

G. If an RV remains on the Ranch after a three month stay, a per day penalty will be charged. The share will lose all Ranch privileges until the RV has been removed from the Ranch and the penalty has been paid.

H. Regardless of how many shares a Partner owns, or how many individuals share ownership of an RV, the RV and all personal property must be removed from the Ranch for five days after a maximum stay of three months.

I. Retroactive to January 1, 2005, in any one calendar year (Jan 1-Dec 31), any Partner or guest who is on R-Ranch for more than 160 nights total will pay a per night fee, in advance, for each night thereafter.

J. The maximum length of stay in the campgrounds for Partners and their families is 30 days, and then they must be off the Ranch for five days. (R-Ranch is not designed for permanent residents, but for periodic enjoyment).

K. Campers and camper shells may not be left in the campgrounds mounted on jacks, except when the truck is being used for transportation while on the Ranch.

L. Potable water is available in the campgrounds, but not in every campsite. Partners should therefore fill their water tanks then disconnect from the faucet. Continual hook-up is not allowed.

M. Electric hookups have been installed in many campsites for Partners' convenience. Although there is no charge for use of an electrical site, RV's must be unplugged when Partners are not on the Ranch. Partners must get approval from the ROA office to leave an RV connected to an electric hookup for more than 24 hours absence from the Ranch.

- N. State and county health regulations prohibit dumping of wastewater on campsite grounds. A disposal station is located beside the road from the north end of the Ranch for Pardners to dump ALL wastewater.
- O. Quiet hours in the campgrounds must be observed from 10:00 PM until 9:00 AM for the mutual enjoyment of everyone. Those who wish to "party" should see the Operations Manager for location of the designated "party areas" on the Ranch.
- P. In consideration of other Pardners, RV or tent owners are asked to turn off their generators between the hours of 9:00 PM and 9:00 AM.
- Q. Pardners and guests are required to check out (leave windshield tag) at the ROA office on their way home. Pardners must inform the guard on duty when moving or removing an RV from the Ranch to avoid penalties.
- R. For tent only camping—Tent camping is available throughout the campground but thirty day tags will only be given for campsites in the meadow. If you camp using a tent only in any other area of the campground, you must remove the tent when you leave. Tents that are used in conjunction with an RV may be left erected anywhere in the campground

Reminder: “THE MARK OF A GOOD CAMPER IS TO LEAVE NO MARK”

VII. LODGE

- A. The lodge is designed for use by the entire family; however, it is not to be used for playground-type activities. Children under the age of 13 are not allowed in the dance area of the lodge after 9:00 PM on dance nights. They may remain in the fireplace room but must be accompanied by an adult.
- B. No smoking is allowed in any cabin or common building, including the lodge, store, snack bar, ROA office, bathhouse, barn, youth center, teen center, ranch house or in the swimming pool fenced area except in the designated Adult Area..
- C. The kitchen area is reserved for special Ranch functions, but can be rented by Pardners for special events such as weddings or family reunions (see section IV - Group Use). Other use of the kitchen must be authorized by the ROA office.
A refundable cleaning deposit will be required for use of the kitchen.
- D. Youths are reminded to care for all machines and equipment in the youth center and teen center. The repair costs for VANDALISM, BREAKING, or DAMAGING of these machines will be charged to parents and may force the COMPLETE REMOVAL of them and terminate their enjoyment. Pardners are cautioned to inform their children of this regulation.
- E. A lodge attendant is on duty daily to oversee the lodge, youth center and teen equipment or any problems arising in these areas. Check the newsletter for lodge hours. The first aid station is at the west entrance to the lodge.
- F. Vehicles should be parked only in designated parking spaces. They should not block access roads, which must remain open for emergency vehicles. Please do not park in the few spaces

behind the lodge, which are designated for staff vehicles and delivery trucks. Handicapped parking spaces are reserved for vehicles bearing state-issued handicapped placards or license plates.

G. The lodge, as with all R-Ranch facilities, belongs to you. When leaving the area, please make sure that it is left neat and clean for other Partners to use.

H. Children are a joy to those of us who have children and grandchildren, as well as to many of us who do not. We must remember, however, that many Partners enjoy R-Ranch for its peace and quiet. Therefore, we should ensure that our children respect this right of other Partners to peace and quiet, especially in closed areas such as the lodge.

I. Pets of any kind may not be brought into the lodge, nor into the fenced area surrounding the lodge lawn, swimming pool area, and snack bar.

VIII. SECURITY

IX. HORSES

As R-Ranch owners, we own a large herd of horses for the use by all Pardners. Our wranglers have two major concerns: the safety and well being of both horse and rider, and a pleasant riding experience for all of us. Accordingly, we must follow the guidance of the wranglers in the care, handling, and riding of our horses, as they are the experts.

A. Riding hours are posted at the stables. Please note: Wranglers may be working before stables are officially open, to be fair to all owners, please do not ask to sign up before the posted stable hours.

1. Riding is dependent upon the weather. Stables will close if the temperature reaches an unsafe temperature for the horses or if the trails &/or arena is unsafe for use.

B. Sign-ups for that day's wrangler led trail rides will begin when the stables open.

1. Sign ups are on a first come basis and owners have priority over guests.
2. Rider must be at least 7 years old to ride on the trails.
